

Remove Request

- A remove request is used to remove a document that is already in your OMPF.
- If there is an order/reference requiring a document to be in your OMPF, we will not remove it.
- If you are on an upcoming HQMC Selection board, O-RMA will automatically tag the batch with the board information and move it to the top to be worked first.
- All routine requests are completed by MMPB-22 within 5-10 business days.

 OMPF - Records Management Application (O-RMA)

OMPF

MY RS/RO PROFILE

Welcome to the OMPF- Records Management Application (O-RMA)

OMPF ACCESS IS LOGGED AND RECORDED.

This application provides the Marine (and authorized administrators/HQMC Users) access to your Official Military Personnel File (OMPF), Master Brief Sheet (MBS) and RS/RO Profiles.

The OMPF, along with the MBS, serves as the Marine's advocate at Headquarters Marine Corps (HQMC) and is used for promotion, selection, and assignment purposes. It is your responsibility to ensure your record is accurate and complete. Please review your record thoroughly. This is especially important prior to any promotion or selection board for which you are eligible. (The documents you see here, except for the Photo, Field tab and the RSRO profile tab, are the same documents that will be viewed by the promotion/selection board.)

All documents that are submitted through ORMA to be added or corrected in a Marines OMPF must be visible, and in PDF format. Before you load a PDF file ensure you review the file properties to ensure the file size is either 8.5 x 11 or 11 x 8.5 to ensure that the file loads with the proper dimensions. (Please allow up to 7 to 10 working days for your request to be processed.) For more information about the OMPF/ORMA please see our [M&RA ORMA Page](#).

Before logging into your OMPF the first time please scroll down to the User Guides link below and watch the How-to Videos provided. The Guides are for the individual Marine as well as those authorized Administrators/HQMC Users.

All Users should click on the Profile link in the top right corner of this page to ensure your information is correct and up to date. If you are an authorized Administrator or HQMC user, you can view the approved permissions here as well.
