Test Control Officer: Mark Story, warren.story@usmc.mil, 843-228-7754

Main Education Office Phone: 843-228-7484

Test Day Information:

For questions or information about testing, please contact the Test Administrator Linda Beattie.

On test day, report to the Voluntary Education Office to sign in for your test. We are located in room 211 of the Foundation Center, building 596. The Foundation Center is the third building on your left after you come through the main gate. You will pass the base theater, then the Exchange (you will see the gas pumps at the end of the building). Our building is the next building on your left. There is parking in front on the main street Geiger Blvd, and a small parking lot in the rear of the building as well. We are on the second floor.

Please arrive 10-15 minutes prior to test time. Your CAC is required for identification at sign in. Drinks and snack may be brought into testing, as long as they can be consumed without disturbing other testers.
